Edition 005

Welcome to the July edition of 'Something to crow about' newsletter. We hope to continue to provide regular updates on what is occurring at the club on a regular basis.

## FROM THE CLUB PRESIDENT

It was welcome news on Saturday 27<sup>th</sup> June that Western Australia's COVID-19 restrictions have been relaxed even further, as WA's roadmap is updated to complete the removal of all restrictions.

The relaxation of the maximum of persons per green has ensured our Tuesday and Saturday pairs continue to attract more teams as does our Thursday mixed competition, well done to the event organiser's thank you for all your efforts. Our members lounge is quickly returning to normal with the removal of seated service requirements for food and alcohol. The 2 square metre rule will only include staff at venues that hold more than 500 patrons. We no longer are required to maintain a register for members or guests attending the Facility.

The Bowl and Fork is continuing to provide top quality great value meals, Ronald and his team are keen to meet all our members and guests please say hello and let them know what a great job they are doing.

Our great bar staff have to be mentioned, they are simply the best; just recently Dee Davids joined the Bar Staff team, please say hello and welcome Dee. Doug Topine has now been appointed full time as club maintenance officer, Doug's skills and knowledge are a welcome addition to our fantastic team, you can see the work that Doug has already carried out in the bowls store, the transformation is fantastic please join me in thanking all of them for their continued support.

Marc has trialed the Electronic-Honour Boards, you may have seen a sneak peek a week or so ago on the Pool Table TV. In the near future the E-Boards will be scrolling continually throughout the day, there are 39 boards in total and it takes 7 – 8 minutes to play the entire history of this remarkable club.

Some fun facts for the boards are:-

Since the Club commencement in 1964 there has been

- 26 Club Presidents (Ladies & Men)
- 19 Life Members
- 66 Sat/M-wk. (Ladies & Men) Pennant winners
- 1 Commonwealth Games medal winner
- 2 Commonwealth Games Team members
- 41 Australian Championship winners
- 16 Ladies & Mens Australian Representatives
- 104 Western Australian Representatives
- 88 Western Australian State Men Champions
- 106 Club Singles Champions (Ladies & Men)
- 42 Club Novice Singles Champions (Ladies & Men)
- 1882 Names on the Boards in total

The work by Marc, Brent and Nicky has resulted in an electronic representation that provides an accurate image of this amazing clubs history. Steve Srhoy has provided a lot of information, research and has conducted countless reviews which has resulted in a precise depiction of the clubs history and successes, I would like thank everyone for their help and support in finalising this very important piece of history for the club.

## WE NEED YOUR HELP

## WHAT ARE WE DOING!!!!!!

We need your help to roll back the undercover green, Green Planet Grass is going to roll back the green and work on the hard surface below.

The installers will work on half the green per day; the work is anticipated to take two days.

The first phase will take place on Monday 13<sup>th</sup> and the second phase on Tuesday 14<sup>th</sup>.

On the Monday morning we roll the green to past half way, in the afternoon we roll the green back this is repeated on the Tuesday.

We are looking for **40 helpers** the club will provide coffee and muffins in the morning and a sausage sizzle in the afternoon we have a list for the attendees on the Match office notice board please indicate on the list if you can help.

A man rushed into a busy doctor's office and shouted, "Doctor! I think I'm shrinking!" The doctor calmly responded, "Now, settle down, you'll just have to be a little patient."

You may think we are mowing the undercover green from the photo above; in fact what is occurring Green Planet Grass (GPG) the installers are grooming the surface this is a process that will be repeated at least 2 times per year, to each of the greens as part of the maintenance cycle to keep the greens in top shape, GPG undertook the treatment prior to the roll back of the green to identify any issues so they can be remedied during the planned remedial work (see below).

## Grandparents

What are grandparents? Some youngsters between the ages of five and eight seem to have their own ideas. Here are some of their answers.

"Grandparents are a lady and a man who have no little children of their own and that is why they like other peoples.

"Grandparents don't have to do anything except be there when we come to see them. They shouldn't play hard or run and it is good when they drive us to the shops and give us money".

"They are people who don't say Hurry Up"

"Grandmothers are fat but not too fat to tie your shoe laces".

"Grandparents can take their teeth and gums out".

"Everybody should try to have grandparents, especially if you don't have television because they are the only grownups who like to spend time with us".

"Grandparents live at the airport so we just go and get them there. When they are finished visiting, we take them back to the airport".
